

APPRENTICE METAL FABRICATOR

We are always looking for the right people to fit our culture & staffing requirements. If you believe that you could be beneficial to our business we are seeking written expressions of interest for our 2012 metal fabricator apprenticeship. We try to take on a new apprentice every year, thus we are always on the lookout for the right person to fit this role. If you are enthusiastic & motivated & are interested in a career as a boilermaker, then this could be the ideal opportunity for you.
